## DAY 3

### Half day, 20 Km

We will be heading out along The Brigands Trail towards the picturesque Lake Bolsena. This is a fantastic spot with breathtaking views of the area stretching from the beautiful crater of Lake Bolsena on one side, to the hills surrounding Lake Mezzano on the other side. On a clear day you can see the sea 40 km away, shimmering like a mirror. As you head back along this ancient 'outlaws highway' you will pass through mature oak woodlands dotted with original farm dwellings built in the traditional tufo rock.

## DAY 4: A DAY OFF FOR SIGHTSEEING

The local area is full of interesting archaeological and historical sites. A few suggestions include the village fortresses of Pitigliano, Sorano and Sovano. It is definitely worth visiting the marvellous Italian gothic church of Orvieto - Civita di Bagnoregio, known as the 'Dying Town'.

Alternatively you can choose to relax at the castle and take advantage of the swimming pool, tennis court, indoor and outdoor games . Have a massage or take a cooking class.

**Bisentina Island, Bolsena lake**

At the Madonna delle grazie church we will follow the track north through enchanting countryside back to the castle.

## DAY 6

Following an old Etruscan trail, we will ride up through thick woods to the top of the crater surrounding lake Bolsena. Here, we will enjoy remarkable scenery including vineyards, Etruscan tombs, the prominent volcanic lake and the panorama dominated by the famous Farnese palace in Gradoli; a gift made by the Pope in 1500 for his nephew for his wedding - what a present!
